Winning the match will be worth 5 points, ties worth 3 points, and a loss worth 1 point. The entirety of each 9-hole match will be played and the hole-to-hole results recorded to be used in the case of a tie. The team with the most holes won over the weekend will advance.

Winning teams in each flight will automatically advance to the Championship Shoot-Out. Runner-ups in each flight will compete in a 1-hole playoff with two teams advancing to the Shoot-Out. In the event of a tie for the flight winners or flight runner-up there will be a chip-off to determine which team will advance.

Format for the playoff and Championship Shoot-out will be True Alternate Shot. The playoff will be played on the 18th hole. The shoot-out will be played on holes 15, 16, 17, & 18. The number of teams eliminated on each hole will be determined by how many teams are in the shoot-out, concluding with 2 teams left on 18 to determine the overall Champions. In the event of a tie on any of the holes a chip-off will determine which teams advance.

USGA Rules will govern all play.
